

**Residents Meeting – 29<sup>th</sup> January 2009**  
**Jane, Cynthia, Elsie, Brian, Edna**

We discussed our fruit and vegetable patch.

We decided to have strawberries, raspberries, gooseberries, tomatoes and cucumbers.

We talked about Italian day and decided Spaghetti Bolognese would be a nice dish to have.

Brian would like a jacket potato, Elsie would like to visit an Italian Restaurant and Theresa would like some 'fizzy pop' at dinner.
